**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to declare myself as a proud user of fiber connection as I find it to be both reliable and efficient. With the fact of simply existing aside, I must disagree with your choice to remove diversity options. Doing so hurts both current businesses as well as future growth options in the market, resulting in a even more difficult time for small companies to develop in what is already a hostile environment.
